Dear Harmon:

I would like to thank you very much for your contribution of \$500 on behalf of The Council for Tobacco Research - U.S.A., Inc. to support the Symposium on "Cytochrome P450: Advances and Prospects", in honor of Professor M.J. Coon. This support will be most helpful to us in meeting the expenses of the symposium and will play a very important role in the success of this program. Your generosity is greatly appreciated.

I look forward to seeing you or some of your colleagues at the meeting in Atlanta.
With my best regards.

Sincerely,
